

Want to experience hands-on conservation?
Student Challenge

Imagine spending a week in an amazing location with students from all over Australia, exploring solutions for a more sustainable relationship with our environment. The Earthwatch Student Challenge is a once in a lifetime opportunity for a select number of Year 10 - 12 students to experience environmental research first hand.

- No prior experience is necessary.
- Working with leading scientists, you will be trained in many aspects of scientific field work and gain valuable insights into conservation research.

About Earthwatch

Earthwatch is a global environmental charity aiming to create a society that lives in balance with nature by empowering people to save the natural world.

“I have come back from this expedition inspired and with a mission. I left home rather confused as to what I am doing next year, and I have returned knowing exactly where my passion lies.”

Expedition 1 Magnetic Island
June 28th - July 3rd

Expedition 2 Daintree
September 20th - 25th
